A

Like a whisper on the wind

A

Sometimes the wind don t want to hear about it

A

Like a sailboat on the sea

A

Sometimes the ocean just don t care about it

F#m

Bm

There are many many feelings that can tear your soul apart

F#m

E

But the pressure of unequal love is hard cos the price you got to pay

A

Is that the pain won t go away, unequal love

A

Did you ever stay too long

A

With a lover who was over you

A

You had the feeling it was wrong

A

But you loved so hard there s nothing you could do

F#m

Bm

There are many many heartaches when you re up against the wall

F#m

E

And all the love you give won't come back at all

A

And no matter what you do it really hurts to know the truth

A

Love is unequal sometimes

A

When you have a change of heart

A

Cos you've found that you can trust somebody

A

They'll tear the arrow from your heart

A

It's you they'll love it's not just anybody

F#m

Bm

There are many many reasons not to play the game at all

F#m

E

But in the meantime you are bound to fall cos your wounds are gonna heal

A

You're gonna learn just how to deal, how to deal with unequal love

A

Unequal love, unequal love
