

Dimebag

Cross Canadian Ragweed

This is a pretty cool tune off the new album about Dimebag Darrell and Kurt Cobain.

Intro and verses:

Em, G, D, A

Em, G, D, B7

Chorus:

C, G, D, Em

C, G, D, no chord except for the first chorus after the solo.

Pretty simple song but it kicks ass.

Amos Moses06

This is just me typin stuff because it said the tab had to be 300 characters minimum but this tab doesn t require that much so I m just ramblin
