Johnny s Song
by Cross Canadian Ragweed

Written by: Cody Canada/Shannon Canada

D D/E Bm G
What is life? it could be a million
D D/E Bm G
Or it could be a single dime
D D/E Bm G
Or it could be a ship out on the water
D D/E Bm G
But to me itâ€™s just more time
A G
Time for the one who moved a hundred mountains
A G
Time for the one who broke a thousand chains
A G
For the love of a son and a mother
A G D D/E Bm G
A little girl sweet as sugar cane

D D/E Bm G
What is love? it could be a river
D D/E Bm G
Loveâ€™s a single drop of rain
D D/E Bm G
But to her love is forever
D D/E Bm G
Love s the mention of your name
A G
What is love thereâ€™s more than just one answer
A G
Loveâ€™s a golden wedding ring
A G
If only love could be the cure for cancer
A G D D/E Bm G
Then the world could hear you sing

Bm A G A Bm A G A D D/E Bm G D D/E Bm G

D D/E Bm G
What is faith? Faith is believing
D D/E Bm G
Faith can tell you where to go
D D/E Bm G

You say faith can move a thousand mountains

Faith can liberate your soul

A **G**

A heart of gold will take you to the rafters

Where you get your angel wings

Don't cry for me are the words that are coming

From your golden guitar strings
