Hello there my old friend, not so long ago it was still the end

**A**                    **E7**                    F#min                    **D7**  
late outside in the pouring rain on our way up the road we started over again

F#min                    **D7**                    **E7**  
living a dream as though you re on top

F#min                    **D7**                    **E7**  
my mind is aching Lord it won t stop

F#min                    **D7**                    **E7**                    **A**  
that s how it happened living life by the drop
