

I Think You Should Know Crossfade

To play Emadd9, just add a finger on the 2nd fret of the high E string (variation 3),
the rest is played as displayed (when hovering over the chords).

C **Em** **Emadd9**
One day I fell asleep and dreamt of something to keep

C **Em** **G**
Opened up my dying mind to see the things that I d never find

C **Em** **Emadd9**
Something true and beautiful was waiting there for me

C **Am** **Em** **G**
In a dream where I believed I d find my way back home

Asus2

I think you should know how it feels falling down and out alone when no one cares

Am **Am/F#** **Fmaj7/C** **Am**
I think you should know how it feels when the world buries your soul and you re

Am/F# **Fmaj7/C**
still alive

C **Em** **Emadd9**
Don t ask what you can tell when I scratch myself to sleep

C **Em** **G**
And don t try to wake me up when I fall down, I bleed

C **Em** **Emadd9**
And even though there s more to say, I ve tried to steal myself away

C **Am** **Em** **G**
I ve taken all I can, I can t help myself!
