No Giving Up Crossfade

F#m D Bm So you found out today your life s not the same Bm Not quite as perfect as it was yesterday but F#m D When you were just getting in the groove Bm Now you re faced with something new F#m D And I know it hurts and I know you feel torn Βm But you never gave up this easily before F#m D Bm So why do you choose today to give it all away F#m Well it s not so bad y all D Together we all fall Bm Just as long we get up we ll stand tall F#m We shouldn t waste another day D Bm Thinking bout the things that we forgot to say F#m I m hittin back y all D Kickin these four walls Rm Just as hard as I can til I can t crawl F#m D I won t waste another day Bm With all these silly things Swimmin in my brain F#m There s no giving up now Bm D Do you really want to give this all away F#m D Bm Can t you ever see things in a different way Somedays F#m No giving up now

DBmSuch a beautiful thing to throw awayF#mDSuch a beautiful thing throw awayF#mYou should think things throughF# D BmOver and over againF# D BmAll over again

So your scars fade away You soaked up the pain A better person cause you lived through those days And now you know what it s like to prove You can overcome anything that gets to you Well it s alright We re sayin our goodbyes To the past and everything that ain t right We won t waste another day With all these silly things in our way

[Chorus]

F#m D Bm I know we have given All that we can give F#m D Bm When there s nothing to lean on Well, I remember this F#m D Bm All we make of this lifetime Is always here within F#m D Bm And remembering that s why We should never give in

[Chorus]

There s no giving up now
