

Unknown Solo
Crossfade

I *think* it s a piano playing this, but I thought it would be useful to have these tabs
you re going to play the full song.

```
E |12-12-12--15-14-12--7-10-7-12-12-12--15-14-12--5-7-5-----|
B |-----|
G |-----|
D |-----|
A |-----|
E |-----|
```

You start playing this after he sings, Can you feel me reach into you? the 2nd time.
this 5 or 6 times.

I hope this helped! :)
