**Dm C G**

itâ€™s acting like we donâ€™t exist

Verse 2

when elephants go down

to the water hole at dusk

they feel the same as us about life

we all take a drink

as the sun begins to sink

the alligator waits for his time

Chorus

letâ€™s admit the world donâ€™t turn around us

itâ€™s acting like we donâ€™t exist

a drunk thatâ€™s sleeping in the corner

sweet dreams, make waves, find bliss
