(N. Finn)

NOTE:

G#m
She said I could never do that
    Esus*   **Emaj7**

        G#m

    Esus   **Emaj7**
and what was mine is now in your possession
          G#m
I could feel you underneath my skin
        Esus
as the wind rushed in,
           Emaj7
sent the kitchen table crashing
G#m   **G#11/Eb***   **G#11/F#***
she said nobody move
                               B
or I ll bring the house down

   Ebm7/Bb* **G#m**   **Ebm**

G#m
six foot off the ground
        Esus                    Emaj7
well I know how that sounds...
G#m
look above you and beyond me too
Esus                            Emaj7
that kind of view don t need an explanation
          E                   C#          E
I m not lying, not asking for anything
              F#                          G#m
I just want to be there when it happens again

whenever you invade my home

everything I know flies out the window

it s above you and beyond me too
Esus            Emaj7
I don t want an explanation
        C#7         F#
