SATURDAY SUN - crowded house

G - G - G - G - G - F#m - F#m - G

G

It s a Saturday sun

Bm G

and the game is still on

F#m

and the waiting is done

G

it s all about you

G

as he calls out your name

Bm G

on a hill far a- way

F#m

ravens circle a- bove

D

it s all about to change

Chorus

F

He s in- sane,

G

callin on the day

Bb

D

til the clouds get blown a- way

F

well inside his mind

G

lie all of space and time

Bb

D

G

and the farthest ones u- nite

G

it s a Saturday sun

Bm G

and the madness is won

F#m

and the night has been sung

G

out of existence

G

and my head is al- right

**Bm** **G**  
 was the darkest of nights  
**D** **F**  
 now the cadmium sun

Chorus

**F** **G**  
 callin on the day  
**Bb** **D**  
 til the clouds get blown a- way  
**F**  
 There s an eye inside his mind  
**G**  
 for all the space and time  
**Bb** **D**  
 He s been waitin for a sign

Bridge:

**E**  
 lookin for a revalation maybe  
**G**  
 of visions of the underworld  
**A**  
 but when you saw the first light,  
 then you know its alright  
**G**  
 (na na na na na na)

**G** **Bm**  
 It s a Saturday sun  
**G**  
 and the madness is won  
**D**  
 and the nightmare is done

Chorus

**D** **F**  
 And time he wakes  
**G**  
 colours up the sky  
**Bb** **D**  
 make the darkness come to life

**F**  
memories inside his heart  
                                  **G**  
of everything he wants to know  
      **Bb**                          **D**  
of everyplace he has to go (yeah!)
