

**She Called Up
Crowded House**

(4/4)

D# | **G#** |
She called up
D# | **G#** |
And gave me the news
D# | **G#** |
It made me so sad, sad, sad
Gm
There was nothing I could do

D# | **G#** |
She's too far away
D# | **G#** |
And you had to leave
Gm **G#**
I can never repay you now
D# | **G#** |
For what you gave to me

Cm **Fm**
A whisper that could blow a chasm wide
Cm
It took us all

In delirious sleep

And maybe I was naïve

Cm D# G#
But truth is a mortal blow

The hurt that you have so close
A#
Is something better now
