

Verse 2

Do you wish to love
Can you give enough
Use your saving graces
In the heavy light
Til the sky falls down
He can pray all he likes

PreChorus

But you know what it means to me
In the course of a history
It all makes sense to me somehow
It s a course in philosophy yeh
What is life is it just a dream no
The perfect mystery
But somehow I know

Chorus

You will love this one
You will love this one
And we can create something magical honey
There are times that come
These are times that come
Only once in our life

G

Or twice if youâ€™re lucky

Bridge

Em

C

And if the chance it comes round another time

Em

C

You risk it all, you take the fall for what you like

Em

C

And sure enough, before your love has taken flight

Em

C

You make the revelation

You will love this one

Guitar Solo **G C F**

Chorus

You will love this one
You will love this one
And we can create something magical honey
There are times that come
These are times that come

Only once in our life
Or twice if youâ€™re lucky
