[A#+7]Far beyond the [Am7]veil
The [C]sound of whispers and [E]moans [G] [A] [E]

[E]Slow time [G]bomb, the [A]clamour of the [E]street

GUITAR SOLO [virtually identical to solo above]

I wake up in your room
Share one piece of your life
I d give anything to be a fly upon the wall
And hear your whispers and moans
I like to hear your whispers and moans
Here you come to carry me home

[Spoken over Em - A - C - D, repeated to fade]

We are the mirrors of each other
In a lifetime of suspicion
Cleansed in a moment, a flash of recognition
You gave your life for it
Worth its weight in gold and growing empires
Art collectors and Alans sound investments
Will one day be forgotten, one day be forgotten
YEAH!
