

Makeshift Chemistry
Crown The Empire

Acoustic Version (?)

Intro - C - G - G# - G

C

A lesson learned is easier said than done

G

When you re living in a world

G#

Without the sun

F

My mind is struggling to remember

C

I wish I could find a way

G

To make up for all that I ve done

G#

I know the choise was mine

Bb

But can you blame me

G#

Yeah, the choise was all mine

C

But I never thought that I d

G

G#

Be the last man standing alone

C

I miss you here by my side

G#

G

But darling I can t help but feel like

Love has died

C

G

Operator is there anybody at all that

G#

Can explain why I d give everything

F

And more up for her

C

I know it s unbelievable but

G

G#

Something bout her I can t resist

Bb

But she doesn t even know I exist

OHH!

(I haven t figured this part out)

So yeah I pulled the plug

But I swore the spark would still be there

Buried beneath the promises and lies

C

G

We suffocated in all our own filth

G#

F

I swear I only wanted what was best

But you just left

C

I was just lonely

You were in love

G

But now it seems

That the tables have turned

G#

Bb

And I feel so alone

G#

Yeah, the choice was all mine

C

But I never thought that I d

G

G#

Be the last man standing alone

C

I miss you here by my side

G#

G

But darling I can t help but feel like

Love has died

C

G

Operator is there anybody at all that

G#

Can explain why I d give everything

F

And more up for her

C

I know it s unbelievable but

G

G#

Something bout her I can t resist

Bb

But she doesn t even know I exist

C

G

Darling won t you forgive me

I m just looking for

G#

A little bit of love

F

In this heartbreak city

C

G

Darling won t you forgive me

I m looking for

G#

Bb

A little bit of love

But she doesn t even know I exist

C

G

All I wanted was to be your love

G#

But now you ve left and

F

I can not fill the void

C

G

All I wanted was to be your love

G#

Bb

But now I m finally moving on

HaHaHa

I don t give a FUCK!

(I haven t figured this part out)

I waited all this time to watch you
Jump out of my life
If I knew you d only wanted me for
Just a single night
I wouldn t left
And never had came
But you had to beg me to
Fall in again and now I m just your slave

C **G**
Operator is there anybody at all
G#
That can I explain why I gave
F
Everything and more up for her
C
I know I sound so gullible
G **G# - Bb**
But something bout her just drew me in

But that bitch didn t even notice me

C **G**
Operator is there anybody at all that
G#
Can explain why I d give everything
F
And more up for her
C
I know it s unbelievable but
G **G#**
Something bout her I can t resist
Bb
But she doesn t even know I exist

C **G**
Darling won t you forgive me

I m just looking for
G#
A little bit of love
F
In this heartbreak city

C Darling won't you forgive me

I m looking for

G# **Bb**
A little bit of love

But she doesn't even know I exist

This is my first tab, I know its far from the original but I hope this helps.
Let s all wait for much better tabs for Crown the Empire songs! :>
