

Voices

Crown The Empire

An acoustic version of Voices by Crown the Empire (off their EP, Limitless). Use a capo on the second fret and standard tuning.

Tabbed by lafawafa, hope you all enjoy!

Bm **D**
The voices inside my head are taking over
Em **G** **F#**
They re telling me that my life is in danger
Bm **D**
I m scared that the silence won t come back forever
Em **G** **F#**
I believe this is my darkest hour

Bm
I pray
D **Em**
Over and over again
G **F#** **Bm**
That this won t be my end
D **Em**
I still have a long life to live
G **F#**
I m begging you, begging you

Bm **D**
I can t remember the last time
Em **G** **F#**
That I said goodbye, or that I even tried
Bm **D** **Em**
I m becoming afraid, it s already to late
G **F#** **Bm**
I m on my knees, please help me stay alive

Bm **D**
I hope this isn t my last night
Em **G** **F#**
As I lose my mind, and try to save my life
Bm **D** **Em**
I m becoming afraid, it s already to late
G **F#** **Bm**
I m on my knees, please help me stay alive

Bm **D**
It s just to much to handle

Em G F#
I feel myself turn into stone
Bm D
Desperate, as the voices linger
Em G F#
There s nothing left for me, please save my soul

Bm D
I m running out of time
Em G F#
I can feel the words crawling down my spine
Bm D Em G F#
I m running out of time

Bm (strum once and let it ring until played again)
(I can t remember the last time)

Bm D
I can t remember the last time
Em G F#
That I said goodbye, or that I even tried
Bm D Em
I m becoming afraid, it s already to late
G F# Bm
I m on my knees, please help me stay alive

Bm D
I hope this isn t my last night
Em G F#
As I lose my mind, and try to save my life
Bm D Em
I m becoming afraid, it s already to late
G F# Bm
I m on my knees, please help me stay alive

(Don t play here)
Take my hand
Don t let me fade away
Don t let me fade away
Don t let me die today

Bm
Take my hand
D
I ll pray for you today
Em
I beg to see another day
G F#
Don t let me die today

Bm
Take my hand
