

Voices

Crown The Empire

An acoustic version of Voices by Crown the Empire (off their EP, Limitless). Use a capo on the second fret and standard tuning.

Tabbed by lafawafa, hope you all enjoy!

C#m **E**
The voices inside my head are taking over
F#m **A** **G#**
They re telling me that my life is in danger
C#m **E**
I m scared that the silence won t come back forever
F#m **A** **G#**
I believe this is my darkest hour

C#m
I pray
E **F#m**
Over and over again
A **G#** **C#m**
That this won t be my end
E **F#m**
I still have a long life to live
A **G#**
I m begging you, begging you

C#m **E**
I can t remember the last time
F#m **A** **G#**
That I said goodbye, or that I even tried
C#m **E** **F#m**
I m becoming afraid, it s already to late
A **G#** **C#m**
I m on my knees, please help me stay alive

C#m **E**
I hope this isn t my last night
F#m **A** **G#**
As I lose my mind, and try to save my life
C#m **E** **F#m**
I m becoming afraid, it s already to late
A **G#** **C#m**
I m on my knees, please help me stay alive

C#m **E**
It s just to much to handle

F#m A G#

I feel myself turn into stone

C#m E

Desperate, as the voices linger

F#m A G#

There s nothing left for me, please save my soul

C#m E

I m running out of time
