This world keeps pushing down upon me

We can t ponder on this, world forever  
**C#5**  
You know we can save it, if together  
**A5** **Ab5**  
Growing day by day to make it, Divided will make it ....woahh  
**C#5**  
But my time s been wasted

**C#5** **F#5**  
Wake me up from this dream that never ends  
**A5** **Ab5**  
Haunting me, Haunting me til my bitter end...  
**C#5** **F#5**  
Wake me up from this nightmare that I live

Something inside of me keeps on giving in
