Brother, can you call me by my name?
Sister, can you look at me the same?
Mama, Iâ€™ll never be that strong.
Youâ€™ve always had the answers. Tell me where did I go wrong.

A **C**
Ainâ€™t no preacher gonna move my head.
D **A**
Ainâ€™t no talkinâ€™ gonna raise the dead.
C **D**
Take your words to town,
G **A**
But donâ€™t hand me down.

Tell me people, is there somethinâ€™ wrong with change?
Can you tell me, baby, that you love me just the same?
Wake up. â€™Cause thereâ€™s more to life than sin.
Go ahead and try to fool me. Thereâ€™s a fool behind your grin.

G **A**
Donâ€™t hand me down.
C **D**
No, I might not be a saint.
Donâ€™t drag me â€™round.
â€™Cause pitiful I ainâ€™t.
Donâ€™t hand me down.
Oh, oh, oh.

Ainâ€™t no talkinâ€™ gonna move my head.
Got two hands to make my bed.

Take your words to town,
But donâ€™t hand me down.

Donâ€™t hand me down.
No, I might not be a saint.
Donâ€™t drag me â€™round.
â€™Cause pitiful I ainâ€™t.
Donâ€™t hand me down.
Oh, oh, oh.

Ainâ€™t no talkinâ€™ gonna move my head.
Got two hands to make my bed.

Take your words to town,
But donâ€™t hand me down.
