Verse 1 (female)

It was His love that gave me love
And I was waiting for someone who held the same
As it were, there you were,
The one who always was, but suddenly emerged

CHORUS

You are mine and I am yours, and yours forever
Yet somehow that doesn't seem all that long
We'll throw time aside and walk this road together
Ever growing by your side where I belong
And I belong because of Him
Because of Him
Because of Jesus
All because of Him I found you.

Verse 2 (male)

If not for love, His perfect love
What a lost and lonely life I might have known
But, as it were, there you were,
The one who knew my yearning heart and made it whole

CHORUS

You are mine and I am yours, and yours forever

C **G/B** **F**
 Yet somehow that doesn't seem all that long
G **C2** **G/B** **F** **G**
 We'll throw time aside and walk this road together
Am **G** **F**
 Ever growing by your side where I belong
C/E **F** **Am** **G**
 And I belong because of Him
Em **F**
 Because of Him
Am **G**
 Because of Jesus
C/E **F** **G**
 All because of Him I found you.

 Before God and all who see His plan unfold
