**Bm          G              A Em**
You never got to bloom

**Bm            G                A G**
They cut you from the stem

**Bm                G          A Em**
You re innocent at birth

**Bm        G            A G**
until you understand

**Bm             G      A**
Repeat every word that you say to me

**Bm             G          A         G**
They put you to use or put you to sleep
**Bm           G          A**
I cant tell you the difference between
**Bm          G         A**
An embryo or a planted seed

**Bm       G        A    Em**
So many shades of white
**Bm     G       A   G**
So many shades of pale
**Bm      G     A     Em**
I know what you hate
**Bm     G     A     G**
So i do it constantly

**Bm    G        A    Em**
Many shades of white
**Bm   G       A   G**
Many shades of pale
**Bm    G        A    Em**
I know how to cut
**Bm     G        A      G**
A wound that will not heal
