

These Nights
Crystal Fighters

Intro: C G A

F G A

Rolling mountains, streets white and endless

C G A

Laughing, melting, lost all sense of time and the mindset

F G A

Helpless, but held it down, made our way across town

C G A

All the way to open fields, hoping we could open

F G A

Up till dawn, all night all day

F G A

Nights and mornings awake in our heads

F G A

We are stars in our each beautiful morning

C G A

Oh, these nights never end, no

F G

Back on the fields, open grass laid out

A

C

Home just a dot in the distance

G

Down that path we all came down

A

F

But you can't go back ever now

G

Cuz the world saved the early days

A

Have gone away with the future

C

Everything we're changing with the moon and the sun

G

A

And we've been holding back way too long for this, holding on

F
