

**Everythings Geometry
cub**

Artist: Cub

Song: Everything s Geometry

Album: Come Out Come Out

Intro and entire song: A - E - D - A

Verse 1:

A

saw you tuesday

E

on the freeway

D

A

said you were hitchin home

A

fed you candy

E

you told me stories

D

A

they were lies but i didn t mind

Verse 2:

brought a suitcase

used up my toothpaste

burned my old photographs

said you were going

and now it s snowing

so i guess i get the last laugh

Chorus:

A

E

if one is three and three is nine

D

A

then we could be happy all of the time

A

E

if one is three and three is nine

D

A

then we could be happy all of the time

Verse 3:

plot of land and two shovels

we could dig a grave

hop in together

stay there forever

do you think that we d be saved

Chorus:

if one is three and three is nine
when we could be happy all of the time
when the leaves fall down and the churchbells chime
i ll be yours and you ll be mine
be mine, be mine, be mine, be mine
be mine, be mine, be mine, be mine
