

El sol puede brillar en vos
Cucsifae

intro: D F#m

D F#m D F#m
Y aquí estoy encerrado en mi habitación
D F#m D F#m
Mírame y dime que no voy a sufrir otra vez

D E Bm C#m
Viviendo un infierno
D E Bm C#m
No me digas que todo va a estar bien
D E Bm C#m
muchas cosas rompieron mi corazón
D E Bm C#m
you could never, you could never understand me

D
Memories
F#m D F#m
Push it away, dont lose your self, push this feeling away
D
It's in your mind
F#m D F#m
Don't remember the things that made you feel so bad
D
It`s in your heart
F#m D
Hiding the secrets in lonely crystal tears

D E Bm C#m
Buscando respuestas,
D E Bm C#m
respuestas que nadie puede dar
D E Bm C#m
Buscando amor, que cure tus heridas

(solo guitar D F#m)

D E Bm C#m
Can`t hide this for ever
D E
so, fuck their attitude
Bm C#m

Maybe if you forget this

D E

Too fuck their actitud

Bm C#m D

They haven't given you love

Too fuck their actitud

Maybe if you forget this

Too fuck their actitud

The sun can shine on you, only if you want it

The sun can shine on you, only if you want it

The sun can shine on you, only if you want it

The sun can shine on you, only if you want it...
