

**Passing Through
Cult of Luna**

I prefer playing the chords with the root on the E-string. (Barre chords)
I think the rhythm shouldn't be too hard to figure out.

Intro: **Bm**

Bm
All is quiet, empty streets,
D G Bm
All is quiet, the city sleeps,
Bm
Close my eyes,
D G
On my knees,
Bm D G
And time is passing me by;
Bm
Time is passing me by,

Bm
I can't move, can't turn back;
D G Bm
Out of reach, my heart is black.
Bm
My silent shout
D G
Won't set me free
Bm
And time is passing me by.

Outro: **Em & Bm**
