

**Bumper  
Cults**

Good song, and very easy to play.

Capo 6

Intro:

**C Am C Am**

**C Am**  
He had been untrue

**C Am**  
I had learned of all his lies

**C Am**  
I took a look in her eyes

**C Am**  
and she caught me by surprise

**C Am**  
I threw his shit on the floor

**C Am**  
She rushed me out of the door

**C Am**  
He tried to explain

**C Am**  
I didn't do anything

**C Am**  
I knew that he was bad

**C Am**  
Never knew just what he had

**C Am**  
I guess I don't have a life

**C Am**  
But I'll find one soon in time

**C Am**  
Started crying my eyes out

**C Am**  
I wish we never met

**C Am**  
I never had a regret

**C Am**  
I had it up to here

**C Am**  
I can't take this anymore

**C Am**

If she s this crazy now

**C**

**Am**

There s no telling what s in store

**F**

**G**

**C**

**Am**

Maybe I should start a life with someone new

**F**

**G** (let ring)

And give up all my hopes for.

**C**

**Am**

I went on a drive

**C**

**Am**

And he caught me by surprise

**C**

**Am**

I took a look in her eyes

**C**

**Am**

And said I need you in my life

**C**

**Am**

I m in love with him

**C**

**Am**

I m in love with her

**C**

**Am**

You gotta give me the chance

**C**

**Am**

La la la la la

Outro:

**C Am** x5
