**Am**            **C**            **Am**

And am I born to die?

To lay this body down!

**G**            **C**            **Am**            **G**

And must my trembling spirit fly

**Am**            **C**            **Am**

Into a world unknown?

A land of deepest shade,

**C**

Unpierced by human thought

**G**            **C**            **Am**            **G**

The dreary regions of the dead,

**Am**            **C**            **Am**

Where all things are forgot.

**Am**            **C**            **Am**

Soon as from earth I go

**C**

What will become of me?

Waked by the trumpet sound,

**C**

I from my grave shall rise;

**G C Am G**

And see the Judge with glory crowned,

**Am C Am**

And see the flaming skies!

**Am C Am**

And see the flaming skies...
