And I never say I m sorry

F#

Cause they re mistakes that I made

[Solo] **F# C# B F#**

F#

I am just a kid

C#

I ve never seen the world

And I haven t quite decided

F#

If I m a boy or a girl

F#

Oh I am just a kid

C#

I m afraid of the dark

B

But I m obsessed with ideas

F#

One day I ll go far

F#

Oh I m no longer a kid

C#

And everything has changed

B

There s nothing in my heart

F#

And lightning in my brain

F#

So listen up you kids

F#

And follow your dreams
