We started talking about the ocean
Talking about the waves
The way it feels to drop and to steep
The falling she said is like a calling feeling that
stomach in my cheek.

Slap in the face as opened my eyes staring at my feet
and there s no stomach in my cheek
Standing on the street
Where did that girl go?
Did you go back home to Mexico?
I have a chance to go but now I m standing in the
snow
Yes now I m standing in the snow

One-way ticket and a bus drive to Cabo
And there s sand between my toe s
The wind blowing off the shore
Got a six four from the kid next door
And I got no time because I m next in line
And I m almost at my feet
?Now falling that women just yet?
Feel my stomach in my cheek
Feeling my stomach in my cheek

So I m Falling

I m Falling

Falling

That girl she said its like a calling

But I don t think I recognize her face now anymore

and faces expressions, that she had before

I though I came for the girl I new but instead I

found that stomach in my cheek.
