We started talking about the ocean
 Talking about the waves
 The way it feels to drop and to steep
 The falling she said is like a calling feeling that
 stomach in my cheek.

Slap in the face as opened my eyes staring at my feet
 and there s no stomach in my cheek
 Standing on the street
 Where did that girl go?
 Did you go back home to Mexico?
 I have a chance to go but now I m standing in the
 snow
 Yes now I m standing in the snow

One-way ticket and a bus drive to Cabo
 And there s sand between my toe s
 The wind blowing off the shore
 Got a six four from the kid next door
 And I got no time because I m next in line
 And I m almost at my feet
 ?Now falling that women just yet?
 Feel my stomach in my cheek
 Feeling my stomach in my cheek

So I m Falling

I m Falling

Falling

That girl she said its like a calling

But I don t think I recognize her face now anymore

and faces expressions, that she had before

I though I came for the girl I new but instead I

found that stomach in my cheek.
