a man to live his life
Am
Paranoid on the
C          G
prison yard pavement
F              G
  For the first time
Am          C
So I serve time
        G
for my addiction
Am          C
I pay the price
          F
for my affliction
    Am            C
The judge took my life
           G
with his conviction
F              G
  For the last time
(hold)
Lights out lock down
don t make a sound
```

Lights out lock down
