Verse 1:

	<b>C#</b>	<b>C#/F</b>
The roads are wrapped		
<b>F#</b>	<b>G#</b>	
around your waist		
<b>C#</b>	<b>C#/F</b>	
They lead me		
<b>F#</b>	<b>G#</b>	
place to place		
<b>C#</b>	<b>C#/F</b>	
I take trips from		
<b>F#</b>	<b>G#</b>	
hip to hip		
<b>C#</b>	<b>C#/F</b>	
In fact Iâ€™ve made a		
<b>F#</b>	<b>G#</b>	
career out of it		

**C# C#/F**  
 Iâ€™ve always thought the  
**F# G# C#**  
 left was your strongest side  
**C#/F**  
 But when it comes to  
**F# G# C# C#/F**  
 you now I canâ€™t decide  
**F# G# F#-G#-F# G#**  
 Itâ€™s only a matter of time

Chorus:

**F#**  
 I need the product of your  
**G#**  
 fears in the form of tears  
**C# F#**  
 Itâ€™s the only way I can survive  
**F#**  
 It breaks my heart to  
**G#**  
 see you crying baby  
**C# F#**  
 Itâ€™s the only way Iâ€™ll stay alive  
**F# G#**  
 Green eyes, blue skies  
**Bbm F#**  
 Natural disasters when she cries  
**F# G#**  
 Green eyes, theyâ€™re mine  
**Bbm G# F#**  
 Itâ€™s only a matter of time

Interlude: C#--C#/F--F#--G#--

Verse 2:

**C# C#/F F#**  
 Like the climate you never  
**G# C#**  
 know what weather you get  
**C#/F F#**  
 No denying youâ€™re the  
**G# C# C#/F**  
 habit that I canâ€™t quit  
**F# G# F#-G#-F# G#**  
 Itâ€™s only a matter of mine

(Repeat Chorus)

**Bbm G# F#**

Itâ€™s only a matter of time

Rotating

**C#**

Iâ€™m shaking

**G#**

I hope you turn

**F#**

around in time

**Bbm**

Tide is changing

**C#**

Iâ€™m waiting

**G#**

But you and I are

**F#**

one of a kind

Iâ€™ve been to

**Bbm**

both hemispheres

**C#**

over my short years

**G#**

I still canâ€™t pick

**F#**

my favorite place

**Bbm**

The contour of your lips

**C#**

They match the continents

**G#**

And I still love

**F#**

the way that you taste

(Repeat Chorus in Distortion)

Outro:

**Bbm G# F#**

Itâ€™s only a matter of time
