

Silent Night

Cyndi Lauper

**G**

Silent night, holy night

**D7**                    **C**            **G**

All is calm, all is bright

**C**                                    **G**

Round yon Virgin Mother and Child

**C**                                    **G**                    **Em**

Holy Infant so tender and mild

**D**                                    **C**            **G**

Sleep in heavenly peace

**D7**                    **G**

Sleep in heavenly peace

**G**

Silent night, holy night!

**D7**                                    **C**            **G**

Shepherds quake at the sight

**C**                                    **G**

Heavenly hosts from heaven above

**C**                                    **G**                    **Em**

Guardian Angels sing Alleluia!

**D**                                    **C**            **G**

Christ, our Saviour is born

**D7**                    **G**

Christ, our Saviour is born
