

**The Color Purple Reprise**  
**Cynthia Erivo**

**Csus2**

Dear God, dear stars, dear trees, dear sky

**Fadd2 Fmaj9**

Dear peoples, dear everything

**Bbmaj7 Fsus2**

Dear God

**C/F A7sus A7**

God is inside me and everyone else

**C/F A7sus A7**

That was or ever will be

**Dm7add4 Cadd2/E Bbmaj7**

I came into this world with God

**F6**

And when I finally looked inside

**G A7sus A7**

I found it

**Fmaj7 Gadd2 A7sus**

Just as close as my breath is to me

**Dadd2**

Rising

**Aadd2/C#**

Like the sun

**C#/F C#+/F C#/F F#m**

Is the hope that sets us free

**E/D Dadd2**

Your heart-beat

**C#m7 F#m7add4**

Make my heart beat

**E/D**

When we share love

**Dadd2**

Like a blade of corn

**Aadd2/C#**

Like a honeybee

**F#m7**

Like a waterfall

**Bbmaj7 Dadd2/E**

All a part of me

**Dadd2**

Like the color purple

**Aadd2/C# C#7**

Where do it come from?

**F#m7**

Now my eyes are open

**Bbmaj7 Dadd2/E**

Look what God has done

**Dadd2**

It take a grain of love

**Aadd2/C#**

To make a mighty tree

**F#m7**

Even the smallest voice

**Bm7          Dadd2/E**

Can make a harmony

**Dadd2**

Like a drop of water

**Aadd2/C#**

In the river high

**C#7          F#m7**

There are miracles

**Bm7          E7sus   F7sus**

For you and you and I

**Ebadd2**

Like a blade of corn

**Bbadd2/D   D7**

Like a honeybee

**Gm7**

Like a waterfall

**Cm7          F7sus**

All a part of me

**Ebadd2**

Like the color purple

**Bbadd2/D**

Where do it come from

**D7          Gm7**

Now my eyes are open

**Cm7          Cm7/F**

Look what God has done

**Cm7/F          Gm7**

I don t think us feel old at all

**Gm9          Bbadd2/D**

I think this is the youngest us ever felt, yes
