

Take Me Home
D At Sea

This Version ----> <http://www.youtube.com/watch?v=ld3wilQudn4>

Just copying what he put in his description and putting it above the lyrics so it s easier to play along with.

Tuning is D# with a capo on the 2nd fret.

D#
A#
D#
G#
A#
D#

Chords are:

Em	C	D	G
-x-	-x-	-x-	-x-
-0-	-0-	-0-	-0-
-0-	-0-	-0-	-0-
-2-	-2-	-4-	-0-
-2-	-3-	-5-	-2-
-0-	-3-	-5-	-3-

I prefer not to play the 1st string as I think it sounds better without it.
During the Verse and the Chorus, he hammers on to the second fret of the C chord,
during the lead bits, intro and outro he just plays the chord without the hammer on.
