Exes

C **B G**

I ve got no acces to my exes

C **B G**

I m sure by now they ve moved to Texas

C **B A C**

or took a one way trip to Naxos

B G

Exes

C **B G**

I ve lost the battle of the sexes

C **B G**

Like making love inside of taxis

C **A G C**

They liked the sting but not the cactus

Em **D C G**

I know that exes reflect my youth

Em **D C G**

I know that exes are my male proof

Em **D C G**

I know they re guilty of being the past

Em **D**

But you ve killed the cupid

C

You re over them

B G

Exes

C **B G**

I ve got no problem with my exes

C **B G**

They loved me driving in my Lexus

C **B A C**

A road s as good as all its exits

B G

Exes

C **B G**

so out of date like sending faxes

C **B G**

I was the tree they were the axes

C **B A C**

They liked the pray but not the mantis

Em **D C G**

The cynical collector of birds not bees

B G

Exes

C

B G

too young to check all their reflexes

C

B G

No use explaining who T-Rex is

C

B A C

They are the source of all complexes You know...
