Here Today, Gone Tomorrow  
-----

by dada From the album "Puzzle"

transcribed by Jeff Matson (jdm7@cornell.edu)

Overall there are three main guitar parts in this song that overlap. I ve basically included them all. It s up to you to decide how you want to play it.

Riff 1

```
[tab]G -----0-----|  
D -----0-----0-----0-----|  
A ----2-----3-----2-----3-----|  
E --3-----1-----3-----1-----|[/tab]
```

This riff is played almost throughout the song. It s fun to improvise with it a little, like the guys do in the actual song.

Riff 2

```
[tab]G --3h4--0--3h4--0--4/5--4--0--3h4--0--4/5--4--0---[/tab]
```

Intro: Riff 1

Verse: (Keep playing Riff 1)

I used to hide my camels in a paper bag  
I only took them out when it was safe to drag  
My first sixteen years in a catholic-boy suit  
One father with a sixer and a steel-toe boot  
See we re all...

Here today, gone tomorrow

(Now a second guitar comes in, repeating Riff 2, while the first guitar keeps chugging away on Riff 1).

One night in the mirror I saw a movie star (Riff 2)

So I flew to Hollywood in a neighbor s car (Riff 2)  
A pack of No-Doz  
I m a bundle of nerves (Riff 2)  
Laughing out loud as the highway curves (Riff 2)  
Cause you know we re all

(Repeating chords G F come in here)  
Here today, gone tomorrow

Bridge: (These chords are improvised, but they sound sort of okay)

[tab]35x333 335533 G F G F  
35x333 335533 F F F F (or instead of F you can try 113213)[/tab]

Solo: (I m not going to bother to transcribe it. Sorry.)

Play G F repeatedly under the solo.

Verse: (Back to just Riff 1)

Twenty-two miles out of Pasadena  
I picked up a hiker named Tina  
Now we ve only been here a couple of weeks  
Soaking up the sun, the drugs and the freaks  
We hit it off and moved in together  
Got a cat named Ringo and it purred like leather  
We robbed a bank in Santa Monica  
Bought a Caddy and a gold harmonica  
(Riff 2 comes in here)  
We d ride by day and play by night  
(chords come in here)  
We re making love every night

Here today, gone tomorrow

So we went up to Hef s to meet some bunnies  
I saw Hugh he was actin funny  
He handed me some grass and a vodka and gin  
And that s about the time that Jack Webb walked in  
He said "Son, I m gonna tell you something and it ain t pretty  
There s a thousand ways to die in this naked city"

Here today, gone tomorrow  
You know we re  
Here today, gone tomorrow

Chords:  
G 355433
