

**Da Funk Intro**  
**Daft Punk**

Although labelled as an intro , this riff carries on at different parts of the song.  
played on keyboard, you might as well know it on guitar too.

Guitar riff, check song for timing of riff:

E		---	3	----	1	-	3	-	6	-----	1	-----			
B		-----	3	----	1	-	3	-----	3	-----					
G		-----	3	----	2	-	3	----	0	----	2	-	3	----	*Repeat*
D		-----													
A		-----													
E		-----													

That s it. It just repeats over and over at different point in the song.

Enjoy!
