

Da Funk Intro  
Daft Punk

Although labelled as an intro , this riff carries on at different parts of the song.  
played on keyboard, you might as well know it on guitar too.

Guitar riff, check song for timing of riff:

```
E | ---3-----1-3-6-----1----- |
B | -----3-----1-3-----3----- |
G | -----3-----2-3---0-----2-3--- | *Repeat*
D | ----- |
A | ----- |
E | ----- |
```

That s it. It just repeats over and over at different point in the song.

Enjoy!
