Album: Homework (1997)
Tabbed by: Vuk Krajacic (*)

Well, I think this is their best song. It is pure brilliance.

Standard tuning. Do not play the intro.

Main riff (00:49)

```
G-----|  
D-----|  
A-----11-11-----|  
E--11--9-----|
```

You will feel if you got it right. Just practise. Repeat this until fade out.
Stop playing at (03:43) and listen to the waves....
