**Bm G D A**  
But I canâ€™t help but thank her for taking him way  
**G**  
Cause I never wouldâ€™ve taken that long drive,  
**D**  
Had my radio blarinâ€™ round midnight  
**Bm A G A**  
Ran that red light and bumped into you  
**G**  
You never wouldâ€™ve said are you okay,  
**D**  
Weâ€™d of never got soaked in the pouring rain  
**Bm A**  
And that have never been our first date  
**G G A D Dmaj7 Am G**  
Where love came true, well if it wasnâ€™t for her I wouldnâ€™t have you

**D Dmaj7 Am G**  
But the empty in his touch, yeah it all added up, oh it was her  
**Bm G D A**  
I bet she thinks I just broke down fell apart,  
**Bm G D A**  
But Iâ€™ve never been so happy to have a broken heart

Cause I never wouldâ€™ve taken that long drive,  
**D**  
Had my radio blarinâ€™ round midnight  
**Bm A G A**  
Ran that red light and bumped into you

You never wouldâ€™ve said are you okay,  
**D**  
Weâ€™d of never got soaked in the pouring rain  
**Bm A**
