Capo on 4th

**G#**
I€™ve only seen Paris on postcard from a friend,
     **C#**
Never jumped from a plane, cast my faith to the wind,
**Fm**     **Eb**     **C#**
Oh, one day I will.
**G#**
I never seen a star fall in a Montana sky,
        **C#**
Never seen my name up in Hollywood lights,
   **Fm**     **Eb**     **C#**
But, oh, one day I will, I will

**G#**                **C#**
Fly, pass the impossible, high, above the logical,
**Fm**             **Eb**
I€™ll make my mistakes, I€™ll find my own way,
**C#**          **Bbm**   **G#**
Chase them one by one, things I€™ve never done,
           **G#**
Things I€™ve never done

**G#**
I€™ve never had I boy throw rocks on my window,
**C#**
Never look down to see my Romeo,
**Fm**     **Eb**     **C#**
But, oh, one day I will,
**G#**
Yeah, I€™ll find that someone to steal my heart way,
**C#**
I€™ll drop what I€™m doing for a dance in the rain,
**Fm**     **Eb**     **C#**
Oh, one day I will, I will.

**G#**                **C#**
Fly, pass the impossible, high, above the logical,
**Fm**             **Eb**
I€™ll make my mistakes, I€™ll find my own way,
**C#**          **Bbm**   **G#**
Chase them one by one, things I€™ve never done,

Things I€™ve never done

```
Fm                              C#                                    G#
With every page that I turn, the more and more that I learn,
     Eb                          Bbm
No place is too far if I follow my heart.

G#                          C#
Fly, pass the impossible, high, above the logical,
Fm                        Eb
Iâ€™ll make my mistakes, Iâ€™ll find my own way,
C#                        Bbm    G#
Chase them one by one, things Iâ€™ve never done,
                     C#              G#    C#    G#
Things Iâ€™ve never done
```
