

**When I Close My Eyes**  
**Daisy Mallory**

Capo on 3  
Standard tuning

Intro: **G Cadd9 G Cadd9**

**G Cadd9**  
Some days it feels like this road will never end,  
**G Cadd9**  
Iâ€™m up all day and up all night just trying to pretend  
**Em7 Cadd9**  
That Iâ€™m not getting tired and Iâ€™m not felling worn down,  
**Am C D**  
But the truth is I am

**G Cadd9**  
Iâ€™m just like anyone else, trying to pay the rent,  
**G Cadd9**  
Chasing that dollar thatâ€™s already spend,  
**Em7 Cadd9**  
But thereâ€™s got to be more, than just taking down orders,  
**Am C D**  
I know a place where I can breathe

**G Em7 Cadd9 D**  
I just close my eyes, and thatâ€™s all I got to do,  
**G Em7 Cadd9 D**  
Somehow I find my way back to you,  
**Em7 Cadd9**  
Iâ€™m somewhere between a prayer and a dream,  
**G D G**  
When I close my eyes

**G Cadd9**  
The very thought of you calms my deepest fears,  
**G Cadd9**  
And even thought I canâ€™t see you I know you can hear me,  
**Em7 Cadd9 Am C D**  
Talking out loud, trying to make sense, of how I feel right now

**G Em7 Cadd9 D**  
I just close my eyes, and thatâ€™s all I got to do,  
**G Em7 Cadd9 D**  
Somehow I find my way back to you,  
**Em7 Cadd9**  
Iâ€™m somewhere between a prayer and a dream,  
**G D G**  
When I close my eyes

**Em7**

**Cadd9**

Anything that just donâ€™t feel right, I let it slip out of my mind,

**D**

And I leave it all to you,

**Em7**

**Cadd9**

Iâ€™m somewhere between a prayer and a dream,
