Not much that matters but the task at hand.

We re busy building ladders to the Promised Land.

s not much worth fixin
that s been busted apart.
If you don t mind for mending
When they ve broken your heart.

Chorus~

Been

Cm **G#**

taking our troubles down to the river

Eb **Bb**

day after day the water turns bitter and I

Cm **G#**

figure my mind but as much as I figure it s

Eb **Bb**

too soon to say if it s getting better

Not much worth saving
but the money you make.
We re paving the road
to the Golden Gate.

There s not much for saying
if you can t fill your cup.
If you don t mind for talking
when they ve used you all up.

Chorus~

There s not much worth singing
that ain t already in song.
We re building a rocket
to get to heaven.

There ain't no good deeds
there left to do.
If you don't mind for given
when they've taken from you.

Chorus~
