Em
                                 G
You ve got no mother, when you re dressed up for strangers
You keep pretending that you never feel the pain
                                     G
And he holds his lovers, like they re quarters for payphones
                                    D
                             G
They fill the silence and he doesn t even know their names

                     C
                                      Em
But I m a lonely girl, na, na, na, na, na
                    Em
And I can change the world, and everything I am
                 Em
                      C (break)
But I d rather be alone than someone you take home
