

**Peggy  
Dala**

Howdy y all! Long time since I posted anything, but here are the chords for Dala  
s  
wonderful song called Peggy.

- G** - 320033
- Cadd9**- x32033
- D**- x00232
- Em7** - 022033

If you want the strumming to be just like in the recording, hammer on/off the  
third  
string with your index while playing the Cadd9 (if you understand what I mean,  
which I hope  
you do).

Capo 1st fret
