

**Broken**  
**Daley**

*Intro* C G Bm Em

*Verse*

Not a quitter C  
But I need to give up this fight G  
For my sanity, my pride Bm  
Do I leave? Do I stay and try? Em  
Cause any minute C  
You will say the words goodbye G  
Give me love, then change your mind Bm  
And break all that I am inside Em

That s why I m never gonna love this way again C  
I m never gonna give my heart again G  
Cause every time I try Bm  
I end up broken Em  
I end up broken (Oh oh ooh ooh) C  
I end up broken (Oh oh ooh ooh) G  
I end up broken (Oh oh ooh ooh) Bm  
I end up broken (Oh oh ooh ooh) Em  
I end up broken (Oh oh ooh ooh)

*Verse*

                                  C  
These are stars  
                                  G  
These are the days  
                                  Bm  
And they shine for you and me  
                                  Em  
So tell me why do we stand in the rain?  
                                  C  
Cause any minute  
                                  G  
We will both be killing time  
                                  Bm  
Tryna save you and I  
                                  Em  
And that s no way to live

                                  C  
That s why I m never gonna love this way again  
                                  G  
I m never gonna give my heart again  
                                  Bm  
Cause every time I try  
                                  Em  
I end up broken  
                                  C  
I end up broken (Oh oh ooh ooh)  
                                  G  
I end up broken (Oh oh ooh ooh)  
                                  Bm  
I end up broken (Oh oh ooh ooh)  
                                  Em  
I end up broken (Oh oh ooh ooh)

*Bridge*

                                  C                                  Em  
Someday you ll miss my love  
G                                  Bm  
Yes my love  
                                  C  
You ll remember what you had  
                                  Em  
And I ll forget the past  
                                  G
