

**Time Travel**  
**Daley**

Tuning: Standard -

**Am**  
They say live within the moment  
**Em**  
Cause there s nothing else but now  
**Am**  
But I m sleepless and it s over  
**C** **Em**  
So somebody show me how

**Am**  
I can get back to a feeling  
**Em**  
That existed in the past  
**Am**  
Find somebody with some meaning  
**C** **Em**  
Try to equal what we had

I wanna go  
**Am**  
All the way, all the way  
**Em**  
All the way back...  
**Am**  
All the way, all the way  
**C**  
All the way

**Am**  
All I really need  
**G**  
Is time travel and you  
**Am**  
Don t know what this is  
**C** **Em**  
We re travelling through  
**Am**  
All the memories  
**G**  
Unravel with you  
**Am**  
So all I really need

**C**

Is time travel

**Am Em**

And you...

**Am Em**

And you...

**Am**

It's the silence that will save us

**Em**

Now all too much has been said

**Am**

We no longer know the people

**C**

**Em**

That we cling to on the bed

**Am**

Is it beyond reparation?

**Em**

Does this have to be the end?

**Am**

In an alternate dimension

**C**

**Em**

Maybe we could start again

I wanna go

**Am**

All the way, all the way

**Em**

All the way back...

**Am**

All the way, all the way

**C**

All the way

**Am**

All I really need

**G**

Is time travel and you

**Am**

Don't know what this is

**C**

**Em**

We're travelling through

**Am**

All the memories

**G**

Unravel with you

**Am**

So all I really need

**C**

Is time travel
