

**Antlered Crown And Standing Stone  
Damh the Bard**

[Intro]

**E B F#m A**

[Verse 1]

**E** I am the face within the leaves, **B**  
**F#m**  
I am the voice within the trees,  
**A**  
I am boy, I am man,  
**E**  
The face of the changing land,  
**E** **B**  
And I have been your constant guide,  
**F#m**  
From your caves on the mountainside,  
**A**  
We have walked hand in hand.

[Verse 2]

**E** **B**  
And everywhere that I have been,  
**F#m**  
My passing turns the grey to green,  
**A**  
The birds sing to the dawn,  
**E**  
And the land has awoken.  
**E**  
Now my Lady lays with me,  
**B** **F#m**  
Our love weaves its tapestry,  
**A B**  
Eternal threads, unbroken.

[Chorus]

**E**  
I am lover, I am father,  
**A** **E**  
I am Horned God and King,  
**E**  
I am the life in all of Nature,  
**A** **E**  
That is reborn every Spring,  
**C#m** **A**  
Call of stag and cry of eagle,  
**E** **B**

I am Child of Barleycorn,

**E C#m A E**  
And I am the Antlered Crown and Standing Stone!

[Instrumental]

**E B F#m A**

[Verse 3]

**E B**  
I am the oats, the corn and grain,  
**F#m**  
A bearded man with a crooked cane,  
**A**  
Cut me down, I must die,

For the land to be born again,

**E B**  
But donâ€™t you cry and donâ€™t you grieve,

**F#m**  
For soon the Wild Hunt I will lead,

**A B**  
On the night of Samhain.

[Chorus]

**E**  
I am lover, I am father,  
**A E**  
I am Horned God and King,  
**E**  
Iâ€™m the life in all of Nature,

**A E**  
That is reborn every Spring,

**C#m A**  
Call of stag and cry of eagle,

**E B**  
I am Child of Barleycorn,  
**E C#m A E**  
And I am the Antlered Crown and Standing Stone!

[Instrumental]

**E B F#m A**

[Verse 4]

**E B**  
The air is cold, the sky is grey,  
**F#m**

Where am I this Winterâ€™s day,  
**A**

Bones of trees, fallen leaves,  
**E**

The time of the Winter Queen,

**E B**  
But through the wind and snow and rain,

**F#m**

Know a part of me remains,

**A B E B**

The Holly stands, evergreen

[Chorus]

**E**

I am lover, I am father,

**A E**

I am Horned God and King,

**E**

I am the life in all of Nature,

**A E**

That is reborn every Spring,

**C#m A**

Call of stag and cry of eagle,

**E B**

I am Child of Barleycorn,

**E C#m A E B F#m A**

And I am the Antlered Crown and Standing Stone!

**E B F#m A**

Standing Stone!

[Outro]
