Verse II :

(Repeat like I)

Everybody seems to think it s they who bear the pain

They who bear the biggest cross

The loneliness and the shame

Day to day you suffer when you re livin in your past

If you started livin for the now you could free yourself at last

If you started living for the now, for yourself and those around,

Experience and celebrate the freedom that you ve found

You could free yourself forever, and live life as you should

The choice is yours to take now cos I ve said all that I could.

Pre-Chorus :

(Repeat like Pre-Chorus I)

But I know that sometimes it gets so bad
But you re not on your own so don t be sad

Chorus :

Cos if you feel real bad then you re not on your own tonight
Please don t be so sad cos you re not on your own tonight
Well if you feel real bad then you re not on your own tonight
Please don t be so sad cos you re not on your own tonight
Oh yeah yeah yeah,
You see I know the feelin
Don t have to tell me nothin
You know I know the feeling
Well if you feel real bad then you re not on your own
Please don t be so sad cos you re not on your own
Tonight...
