secretly canadian/subpop records

very simple song
standard tune
hit the low E twice before hitting the E minor chord in the verses

D Em D
Hello desert heat, when did you leave me undone
D Em D
A bastard son to the wind that blows me your direction

D Em D
The houses in the meadows have all but shed their skin
D Em D
Now a boneless shadow that lies among the lilies

Chorus:

C G
How long can you keep your distance
D
Who shall be my witness

D Em D
The mountain said to his daughter, the hills shall be your husband
D Em D
Leave me now a volcano, to destroy all God has given
